## Flipkart Axis Bank Credit Card Statement

### Finance Charge calculation

If a card holder avails of the revolving facility of the credit card and hence chooses to pay amount less than the total amount due reflected in the monthly billing statement. The entire outstanding amount would attract finance charges and all new transactions will also attract finance charges, till such time as the previous outstanding amount is paid in full. For example, assume that you have paid all previous dues in full and do not have any amount outstanding in your credit card account. You have purchased house hold goods for Rs. 25000.00 on 12th June and withdrawn cash from ATM for Rs. 5000.00 on 15th June. Your monthly statement is on 20th of every month. On 20th June, you would be levied interest on Rs. 5000.00 cash withdrawals for 6 days @ 3.75% p.m.(effective 20th Dec'2024) i.e.,  $5000.00 \times 6 \text{ days} \times 3.75\% \times 12 \text{ months} / 365 \text{ days} = \text{Rs.} 35.50$  your due date for 20th June statement is 10th July and you pay Rs. 20000.00 on 10th July and you also make a fresh purchase of Rs. 10000.00 on 11th July, Interest to be levied on 20th July would be as under:

Interest on Rs. 25,000 @ 3.75% p.m. from 12th June to 11th July (30 Days)	924.66
Interest on Rs. INR 5,000 @ 3.75% p.m. from 21st June to 11th July (21 days)	129.45
Interest on Rs. 36.99 (Interest levied in last statement) @ 3.75% p.m. from 20th June to 11th July (22 days).	1.00
Interest on Rs. 10,000 @ 3.75% p.m. from 11th July to 20th July (10 days)	123.29
Total Interest charged on 20th July	117.99
Total Interest charged on 20th July	1296.39

Actual interest calculation would vary based on the individual purchases and revolve behaviour. Please note that making only minimum payment due every month would result in the repayment stretching over years with consequent Interest payment. For more details, refer the Terms and Condition on the website ([www.axisbank.com/tncs](http://www.axisbank.com/tncs))

### Minimum Amount Due Calculation

Assume that you have paid all previous dues in full, and do not have any amount outstanding in your Credit Card Account, and your monthly statement is generated on the 15th of every month.

Txn Date	Type	Cr/Db	MAD Contribution	Amount
25th Sep	Purchase	Db	2%	5000
1st Oct	Joining Fees	Db	100%	1000
1st Oct	GST on Joining Fees	Db	100%	180
1st Oct	Cash Withdrawal	Db	2%	2000
1st Oct	Cash Withdrawal Fee	Db	100%	500
1st Oct	GST	Db	100%	90
15th Oct	Interest on Cash withdrawal	Db	100%	36.99
15th Oct	GST on Interest	Db	100%	6.66
Total Amount Due				8813.65
Minimum Amount Due				1953.65

Revised MAD computation logic (effective 10th Nov 2023):

MAD = 2% of Purchase and Cash Withdrawal + 100% of Joining Fees, Cash Withdrawal Fee, Interest on cash withdrawal, GST & GST on Interest

$$\text{MAD} = 2\% \times (5000 + 2000) + 100\% \times (1000 + 180 + 500 + 18 + 36.99 + 6.66) = 1953.65$$

For type and details of insurance on your card please refer

<https://www.axisbank.com/retail/cards/credit-card>

Third-party insurance provider - The New India Insurance Company Ltd. For any insurance related queries contact Axis Bank at 1800 103 5577.

### Billing Dispute Resolution

"In case of any billing dispute notified to Axis bank, Axis bank will suspend reporting to credit bureau till the dispute is resolved".

All contents of this statement shall be deemed to be correct and accepted by you, unless you inform us of any discrepancies within 21 days of the date of this statement, and these are found by you, unless you inform us. On receipt of such information, we may reverse the charges on a temporary basis. If on completion of subsequent investigation, we are satisfied that the liability of such charge is to your account, we will reinstate the charge in the subsequent statement.

### Report Loss, Theft or Unauthorised use of Card or Pin

To report loss, theft or unauthorised use of card or Pin, customer has to block the card. Customer can use any of the below three mediums to block their credit

- Send an SMS – BLOCK <space> last 4 digits of card number and send it to 5616160
- Call the Phone banking number (IVR) 1860 419 5555, 1860 500 5555 and select 0 to block the card
- Go on the Mobile App and block the credit card

### Disclosure :

"Axis bank may tie up with credit bureau authorized by RBI and will share credit information including but not limited to your current balance, payment history, demographic details, etc. the credit bureau do not provide any opinion, indication or comment pertaining to whatever credit should or should not be granted. It is your best interest to maintain a good credit history by paying the necessary dues in a timely manner. With credit bureau in place, responsible customers can expect faster and more competitive services at better terms from credit grantors. Default by customer would be available with credit bureau, which in turn would impact your credit worthiness for the future. Charges structure is subject to change form time at the sole discretion of Axis Bank.

Please make your payment by due date. Late payment will result in reporting to Credit Bureau. Credit Bureau include Credit reference Agencies, Credit Information companies or any other entity formed and authorized by RBI for the purpose of collecting, collating and disseminating credit information pertaining to borrowers."
